EPAY

To all screeners,

Please be advised that the new « EPAY » system announced by STAS will be contested on the first day of its implementation, this Thursday.

The « EPAY » system's objective is to replace our current pay stubs sheets by forcing screeners to consult their pay stubs online or via phone.

The union believes that this new system contravenes section 12.04 of the Collective Bargaining Agreement currently in force.

As soon as more information is available, you will be informed. If you have any questions, do not hesitate do contact me at (marc_hennessey@hotmail.com).
