CIRB - FUSION

To all screeners.

As you already knew, this union was in front of the Canadian Industrial Relations Board this week on June 26th, 27th and 28th. After those 3 days, more dates have been scheduled.

The union and the employer are scheduled to meet again on July the 6th and 11th.

- Nothing has been settled yet.
- The CIRB has not made a decision and that is why we are going back for 2 more days.

As soon as there will be any new developments, you will be informed.
