Unit Lodge 9-11 - Local 1976 - United Steelworkers

Hi everyone,

Following the rejection of the employer's proposal and the 99,7% strike vote last week, the union has understood your message. Now, it is time to respectfully tell STAS. To tell them, these are the actions needed:

- Removal of the tie
- Removal of epaulettes
- Removal of the STAS lanyard
- Active offer stop

These are only the first steps in making our position visible and understood to the employer.

These actions will start today and last for as long as they have to. These actions will also last as long as STAS is pushing for major concessions and refuses to address the numerous problems brought up by the union.

It is imperative that all members (screeners and PL) participate in order to send the strongest possible message to STAS.

It is important that no work slow down take place.
