L'unité Loge 9-11 - Local 1976 - Syndicat des Métallos
Unit Lodge 9-11 - Local 1976 - United Steelworkers

Hi everyone,

Following the actions taken since last week, the union has had 3 days of intense negotiation with STAS.

More actions are currently needed to respectfully inform STAS of our problems. To tell them, these are the actions needed:

- Wearing of baseball caps (of your choice or the USW caps)
- Untied hair

These are the second stage of steps in making our position visible and understood to the employer.

This is effective immediately.

Starting Monday November 5th 2012, jeans or camo pants should be worn by all members. The jeans and camo pants can be worn with a belt of your choice.

These actions will last as long as STAS still pushes for major concessions and still refuses to address the numerous problems brought up by the union.

It is imperative that all members (screeners and PL) participate in order to send the strongest possible message to STAS.

It is important that no work slow down take place.
