STRIKE MANDATE RENEWAL

Hi everyone,

In order to renew the strike mandate obtained last October, we will be holding a special assembly on Thursday, January the 8th 2013, at the Sheraton Hotel, Salon La Tour.

As prescribed in article 87.3 (1) of the Canadian Labor Code, strike mandates are only valid for 60 days and a strike vote is needed to renew it.

During the assembly, there will be a detailed presentation of the last offers from STAS, explanation of the next steps to come and information regarding the maintenance of activities (essential service).

The bargaining committee will unanimously recommend that members REJECT the employers proposal and uphold the strike mandate.

It is imperative that all members (screeners and PL) participate in order to send the clearest possible message to STAS. Until then, the Union is asking everyone to maintain the actions and level of visibility started last October.

The union, would like to take this opportunity, to thank everyone for their professionalism and engagement in the cause. We invite everyone to still maintain your regular efficiency and respect the Standard operation procedures (SOP).

It is important that no work slow down take place.
