RENEWAL – COLLECTIVE INSURANCE

Hi everyone,

Our collective insurance contract with La Capital is expiring on March 31st 2013. Our new contract, with Desjardins Assurances this time, starts on April 1st 2013.

The insurance coverage is EXACTLY the same.

The transition from one company to the other will be very simple and you will all get the chance to fill out the inscription forms this week. Friday, Saturday, Sunday, Monday, Tuesday and Wednesday there will be a desk set up in the ADM cafeteria on the 2nd floor where you can fill out everything quickly in order to get your card as soon as possible.

To make sure no member has to pay the deductibles twice this year (once with La Capital and once with Desjardins) there will be no deductibles with Desjardins for the first year.

The new insurer functions the same way when at the dentist or pharmacist, just show your Desjardins card.
