SUMMER LOOK DAY

Hi everyone,

The Executive Committee after consultations and reflections this week have decided on holding a new political action to make our position visible and understood to the employer.

We will be holding a visibility day, this **Saturday, July 20th 2013.**

For this day, members (screeners and SCC) are asked to show up for work wearing:

- **shorts**
- **bermudas**
- **jeans pants**
- **running shoes**
- **no pyjama, no hats and no nonsense**

Anybody sent home for their participation will be financially compensated like last time.

It is imperative that no work slowdown take place or be tolerated.
