PROVINCIAL ELECTIONS

Hi everyone,

Please be advised that as usual and as prescribed in the Electoral law, all employees must be allowed a 4 consecutive hour period to vote in the provincial election.

Voting polls are open from 9:30am to 8:00pm, meaning that all PM employees starting their shift between 10:00am and 1:30pm have the possibility to:

1-come in to work at 1:30pm only, without any loss in pay;

or

2-leave work at 4pm, without any loss in pay

All AM and night employees are not concerned since they already have a full 4 consecutive hours to vote.
